

North Carolina 4-H Alumni and Friends Association Membership Enrollment and Response Sheet

The North Carolina 4-H Alumni and Friends Association formally organized on May 1, 2007. The Association is the product of an initiative to locate, contact and engage alumni and friends of North Carolina 4-H to support and remain connected to 4-H. The Association is comprised of dues-paying members who are supporters of the North Carolina 4-H program, including alumni, leaders, volunteers, donors, staff, business and community leaders and all other “friends.” Members of the Association will become re-engaged with today’s 4-H program, serving in advisory roles, providing scholarships to outstanding alumni and maintaining open communication lines to insure a strong future for NC 4-H.
